Health Center in 2025

1. What are the key attributes of an ideal health center in 2025? Consider this question in the following broad areas: Workforce, Financing, Operations/Care Delivery Model/Infrastructure, and Outcomes
2. What is the role of each of the following strategic partners: State/Regional PCAs, HCCNs, and NCAs in achieving the ideal health center in 2025?
3. How can we best work together to develop a learning health center system to support the ideal health center in 2025?
