Transformation of Public Housing

Public housing units across the country need more than \$26 billion in repairs and many public housing agencies (PHAs) do not have enough money to keep units in good condition.

- Moving to Work Program
- Rental Assistance Demonstration (RAD)

NCH
National Center for Health in Housing

HC Needs Assessment

- Recent NCA Needs Assessment Initiative
- PHPC Needs
- T/TA vehicles (methods)

National Health Center Needs Assessment

1) What are the current pressing T/TA needs of health centers?

2) In what ways, if any, can current NCA T/TA content and delivery be improved to improve health center utilization of and satisfaction with NCA T/TA?

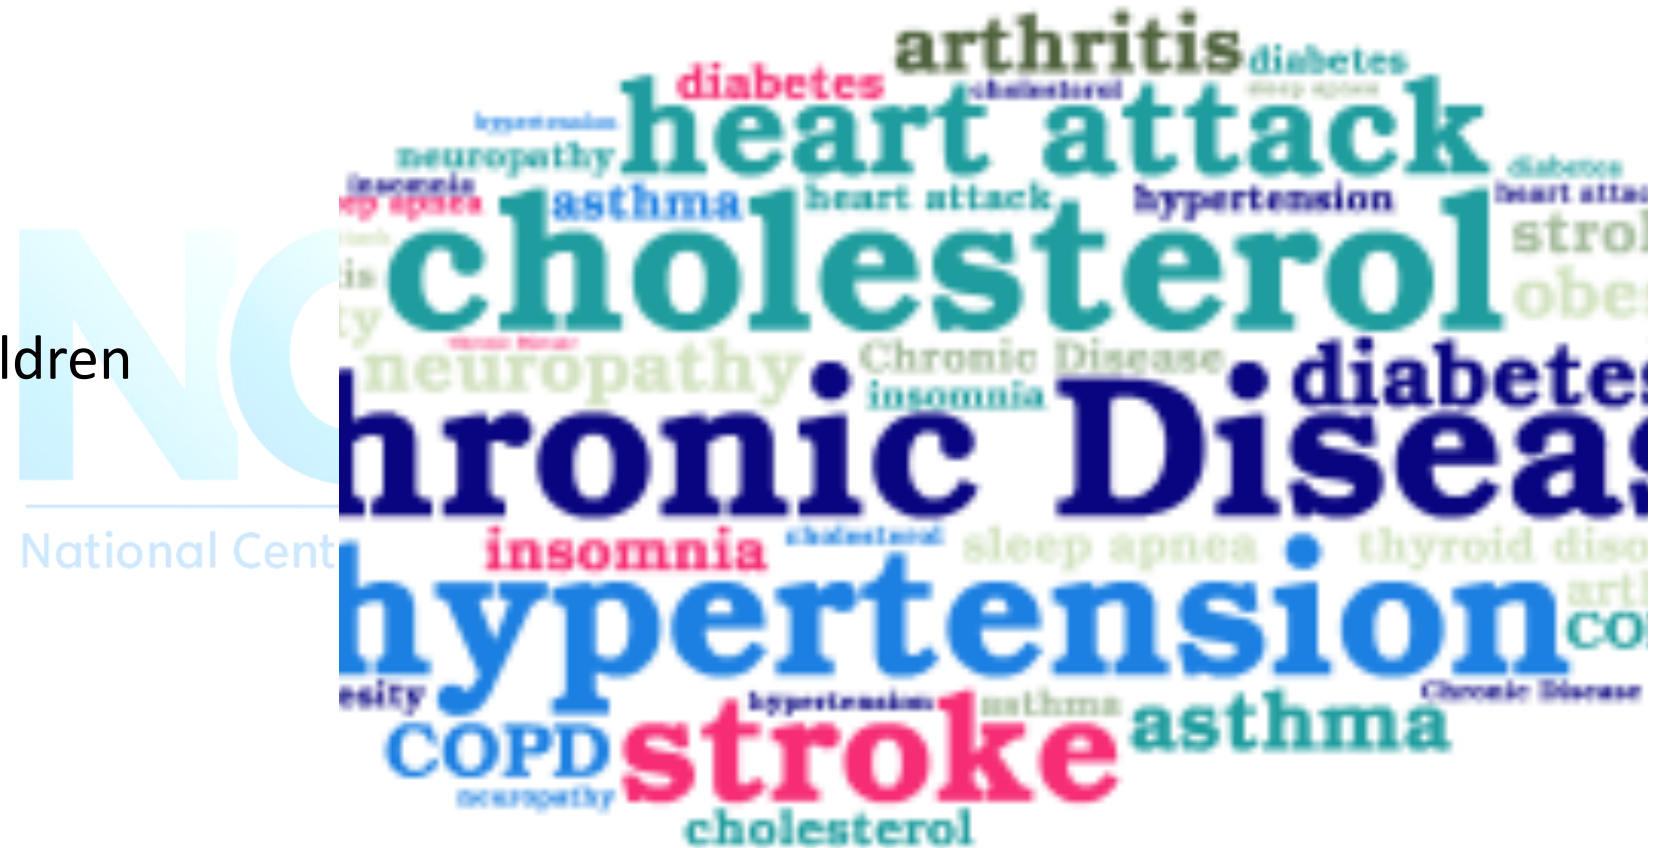

- September-October 2018
- FQHCs and Look Alikes
- 1,373 Responded (56% response rate)
- (56 PHPCs)
