• Session
• Conference Call will be on 2/18/2020 at 1pm ET
2020 Health in Public Housing National Training Symposium
Conference Topics

- Plenary Sessions
- Call for Abstracts
- Registration

2020 Health in Public Housing National Training Symposium

When Housing Meets Health Care: Addressing Priorities for Health in Public Housing

Conference Registration
IS NOW AVAILABLE!

The National Center for Health in Public Housing will be hosting the 2020 Health in Public Housing National Training Symposium at the Westin Hotel in Alexandria, VA on June 18-19, 2020. Why should you attend this conference? Here’s why: There is no other national symposium of its kind. NCHPH is the only organization to convene a national symposium that supports Public Housing Primary Care (PHPC) grantees and health centers that serve the special needs of public housing residents. In addition, this conference operates on a multifaceted level by bringing together health care professionals, PCAs, other service providers, resident association members, housing authorities, government agencies, and non-profit housing organizations in order to address health in public housing from all sides. Everyone is welcome to attend!

Register by March 16 and receive an early bird rate of $380!*

*$199 for Public Housing Residents/Students. Fees increase to $450 for general registration and $250 for Public Housing Residents/Students after March 16.
Conference Workshop Tracks
