Feel free to ask questions! Please add your questions for the speaker and comments for the group into the Chat box.

Technical Issues? Please raise your hand to let us know or message us in the chat.

Recording: This session will be recorded and available to view with all supporting materials.

Housekeeping

- The module is divided into three main sections.
- Between each section, a short knowledge check is provided.
- Participants can complete the module at their own pace.
- Time to completion is approximately 60 minutes.

**NATIONAL
NURSE-LED CARE
CONSORTIUM**
a PHMC affiliate

National Nurse-Led Consortium

The **National Nurse-Led Care Consortium (NNCC)** is a membership organization that supports nurse-led care and nurses at the front lines of care.

NNCC provides expertise to support comprehensive, community-based primary care.

- Policy research and advocacy
- Technical assistance and support
- Direct, nurse-led healthcare services

National Center for Health in Public Housing (NCHPH)

- The National Center for Health in Public Housing (NCHPH) is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number U30CS09734, a National Training and Technical Assistance Partner (NTTAP) for \$2,006,400 and is 100% financed by this grant. This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government.
- The mission of the National Center for Health in Public Housing (NCHPH) is to strengthen the capacity of federally funded Public Housing Primary Care (PHPC) health centers and other health center grantees by providing training and a range of technical assistance.

CONTINUING EDUCATION CREDITS

You may earn 1 CE for this activity offered by the Clinical Directors Network.

To receive CE credits, you must complete the post session quiz.

This will appear once you close out of Zoom. You will be redirected to the CE link once you have finished the quiz.

National Center for Health in Public Housing (NCHPH)

- The National Center for Health in Public Housing (NCHPH) is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number U30CS09734, a National Training and Technical Assistance Partner (NTTAP) for \$2,006,400 and is 100% financed by this grant.
