Public Housing and Partnerships: A Resource Toolkit Learning Collaborative

Session 4

Housekeeping

- The module is divided into three main sections.

- Between each section, a short knowledge check is provided.

- Participants can complete the module at their own pace.

- Time to completion is approximately 60 minutes.

National Center for Health in Public Housing (NCHPH)

- The National Center for Health in Public Housing (NCHPH) is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number U30CS09734, a National Training and Technical Assistance Partner (NTTAP) for $2,006,400 and is 100% financed by this grant. This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government.

- The mission of the National Center for Health in Public Housing (NCHPH) is to strengthen the capacity of federally funded Public Housing Primary Care (PHPC) health centers and other health center grantees by providing training and a range of technical assistance.
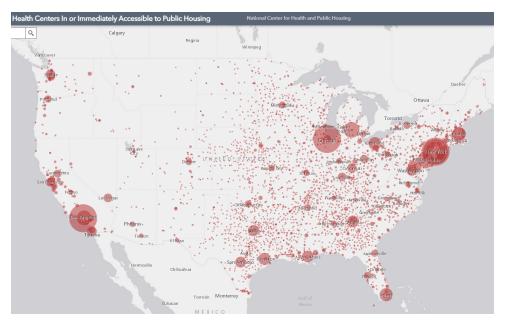

Training and Technical Assistance

Research and Evaluation

Outreach and Collaboration

Increase access, quality of health care, and improve health outcomes
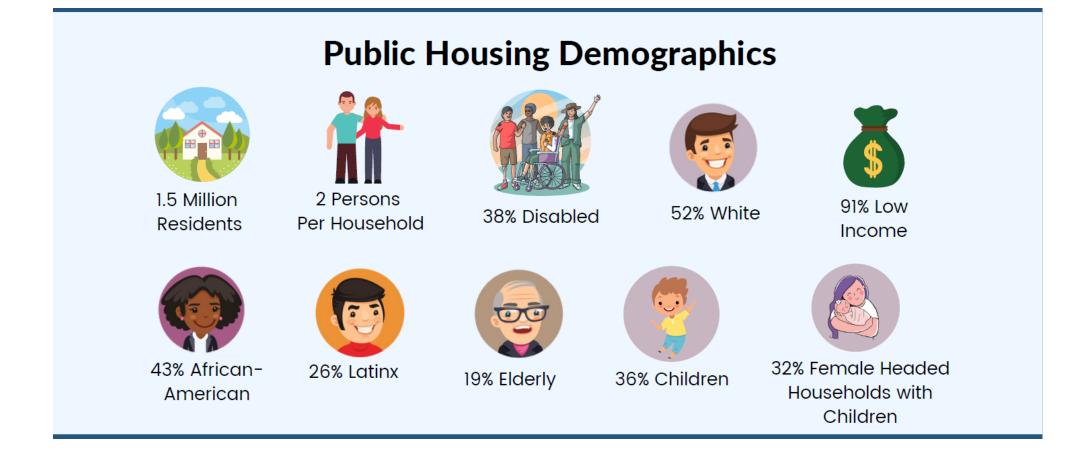

Health Centers Close to Public Housing

- 1,373 Federally Qualified Health Centers (FQHC) = **30 million patients**

- 458 FQHCs In or Immediately Accessible to Public Housing = **5.7 million patients**

- 108 Public Housing Primary Care (PHPC) = **911,683 patients**
